

# Strathcona Synatics Synchronized Swim Club

## Fundraising Agreement Form 2011-12 Season

**Annual membership fees** cover a **portion** of the expenses incurred for pool space rental, coaching fees and competition costs. **In order to keep these annual fees at an amount that is accessible to most families we have chosen to cover the remaining portion of our expenses through fundraising activities.** Fundraising ideas are always welcome. We encourage parents to become involved and forward ideas to the Executive. We also realize that some families do not wish to participate in fundraising activities. As a result, only families that participate in the fundraising activities will benefit from the funds raised. The exception will be "Swim the Dream" which is our only mandatory fundraising activity. Minimum pledges of \$100 will be required from each swimmer.

Therefore we will be instituting the following policy regarding fundraising activities for the current swim year. **The fundraising goal for each family this year will be \$600 (in addition to "Swim the Dream" pledges). Those families that choose not to participate in fundraising activities will need to pay the full fundraising fee in addition to their annual membership fee.**

By signing below, you agree to the fundraising amount required for this swim year and accept that participation in funds earned, is based upon participation in the activity which raised the funds. Each family will be responsible to pay any amount not raised through fundraising activities to the Club on March 15, 2012 (ie the difference between \$600 and the amount actually raised).
